MIXIT Technologies 2007

Attended MIXIT Pakistan Developers and Software Quality Assurance Test and seminar held on November 27, 2008 in Karachi.

HEC Higher Education Commission – Karachi Office 2011

Iphone – Android – Nokia Windows Phone application Development, its deployment, Coding and simulator based Testing with integration

Expo – Dubai – “Magnificent 7”

Trade Development Authority of Pakistan, has extended full support to United Arab Emirates (UAE) in holding the first-ever UAE` s “Magnificent 7” expo at Karachi Expo Centre from Nov 30 to Dec 2.

ACADEMIC EDUCATION

2005- **B.S (Bachelor of Science) - Computer Engineering**
SSUET - Sir Syed University Of Engineering & Technology – Karachi
Duration: **48 Months (4Years)**

2002- **Intermediate - Pre-Engineering**
Govt. National College – Karachi
Session: **2002**
Duration: **2.5 Years**
Level: **HSC**

1999- **Primary -**
P.A.F - Pakistan Air Force Intermediate College Base Masroor - Karachi
Session: **1992**
Duration: **7 Years**
Course: **Federal Board System**

COURSES OF ENGINEERING

Microprocessor based system designing
Computer Aided Engineering Drawing
Computer Architecture And Designing
Finite Automata Theory
Software Engineering
Computer Communication and Network
Logic Designing And Switching Theory
Object Oriented Programming System
Computer architecture and organization
Computer Security
VLSI
RDBMS
Digital Electronics
Circuit Analysis
ITC
Computer Programming and Problem Solving
Numerical Methods
Abstract Algebra
Applied mathematics
48 Subjects.
