

Jauher Ali Khan (QHSE Professional)

PO Box 1757, Jubail 31951, Saudi Arabia ♦ 0966 552345747 ♦ johar244@gmail.com

Dear Sir/Madam,

I am writing to outline my extensive experience and successful record of accomplishment in QA/QC, QHSE as an Engineer and Manager for national and multinational companies. As you will see from my enclosed resume I have a Bachelor Degree in Metallurgy and Materials Engineering, an MBA in General Management, CQI-IRCA certified lead auditor in QMS ISO 9001:2015, EMS ISO 14001:2015, OHSAS 18001:2007, Six Sigma Green Belt certified. I have also OSH 48, 36 & 10 hrs and 45 hours of **PMP** training course in advanced Project Management with Primavera P6 Professional as well as extensive additional professional development and training. I possess the skills, qualifications and vital experience necessary to make a very significant contribution to quality & safety compliance at any company.

In my current role, I am responsible for all quality & safety matters at Dolphin International Steel Co. Ltd. I have also faced audit from Saudi Aramco and Sabic, and successfully achieved approval as a 9com vendor. I have also extensive experience of developing QMS system & on getting ISO 9001:2008 and ISO 9001:2015 certifications, allowing the company to drive forward and gain further growth and development.

With an MBA in General Management and a degree in Metallurgy and Materials Engineering, I have undertaken many relevant training courses and possess a diverse range of skills as a QA/QC Management Professional with 1& years of project based experience in international settings.

The knowledge and achievements secured throughout my career to date represent my strong capabilities to excel by tackling many complex challenges and transforming the company Quality Control and Quality Assurance operation.

I am now seeking an opportunity to invest my extensive skills in a forward thinking organisation where I can produce similar results and gain further professional development. At your company, as a respected leader in the field is of great interest to me and I feel a strong affinity with the organisation's objectives, I am certain I could thrive in such an environment.

Please do not hesitate to call me on 0966 0552 345 747 so we can arrange an interview to discuss my application in greater depth. I look forward to hearing from you.

Yours faithfully,

Jauher Ali Khan
